Double Majors

The overlapping of requirements in any combination of majors chosen by a student is permitted as long as the student meets the requirements listed for each major. All completed programs [(e.g., Bachelor of Arts (B.A.), Bachelor of Science (B.S.), Bachelor of Music (B.Mus.), Bachelor of Music Education (B.Mus.Ed.), Bachelor of Fine Arts (B.F.A.)) will be indicated on the transcript, regardless of overlapping course requirements and without the addition of extra required hours. The senior seminar in both majors is required of students unless the student gets written approval from one of the departments to waive that seminar. Students should have an official advisor in one of the two majors, but they should regularly check with an advisor in the second major to make sure they are on track with that second major.
