Majors

All students choose a major from an academic department or multidisciplinary program. They may also choose to develop an individualized major designed to meet their needs and interests. Majors at Bethel range between 37-115 semester credit hours. It is possible to complete a second or third major by using elective credits or increasing the total number of credits taken. At least half of the credits used to meet the requirements of a major must be taken at Bethel. A 2.25 GPA in the major is required unless otherwise noted in the Academic Programs section of this catalog.

Double Majors

The overlapping of requirements **in any combination** of majors chosen by a student is permitted as long as the student meets the requirements listed for each major. All completed programs [e.g., Bachelor of Arts (B.A.), Bachelor of Science (B.S.), Bachelor of Music (B.Mus.), Bachelor of Music Education (B.Mus.Ed.), Bachelor of Fine Arts (B.F.A.)] will be indicated on the transcript, regardless of overlapping course requirements and without the addition of extra required hours. The senior seminar/capstone experience in both majors is required of students unless the student receives written approval from one of the departments to waive that seminar/capstone experience. Students should have an official advisor in one of the two majors, but they should regularly check with an advisor in the second major to make sure they are on track with their second major.

Minors

Though not required, many students choose to complete one or more minors in order to pursue areas of interest or to complement their major. Students must choose from the minors in this catalog and may not create an individualized minor. Minors range between 18-24 semester credit hours. Students may choose to take additional credits toward the minor or use their elective credits. Students may not earn a minor in a program in which they will earn or have earned a major except where specifically

noted in the Academic Program section of this catalog. At least nine (9) credits of any minor must be completed at Bethel.

Program Overlap Policy

Students may not earn a minor that has the identical name as their major. Some minors and secondary majors are not allowed with particular majors. Consult the major/minor requirements listed in this catalog for further information.

Endorsements

Though not required, students may choose to complete one or more endorsements in order to pursue areas of interest, or to complement their major. Students may choose from the endorsements in this catalog and may not create an individualized endorsement. Endorsements range between 7-26 semester credit hours. Endorsements may have additional non-credit requirements. Students may choose to take additional credits toward the endorsement or use their elective credits. Upon completion of a degree, an endorsement is listed as a comment on the academic transcript.
