

BUSINESS ADMINISTRATION CERTIFICATE

Overview

This certificate builds on the "New Supervisor or Manager Certificate" by adding managerial skills that prepare students for managerial positions requiring more marketing, financial, and operations abilities.

Program Outcome

- Apply knowledge of organizational behavior, finance, marketing, law, and operations to management in business environments.

Admission Requirements

- Meet the general requirements (<https://catalog-next.bethel.edu/adult-professional-studies/admission/general-requirements-admission-caps/>) for admission to the College of Adult & Professional Studies.

Students who have not achieved the minimum GPA, grade standards, or other assessment criteria may still apply to be considered for provisional acceptance. See *Admission Categories*.

Certificate Requirements

The required curriculum for the Business Administration Certificate comprises of an 18 semester credit sequence of courses.
