

CERTIFICATES

Though not required to do so, students may choose to complete one or more certificates in order to pursue areas of interest, or to complement their major(s). Students must choose from the certificates in this catalog and may not create an individualized certificate. Certificates range between 18-34 semester credit hours. Certificates may have additional non-credit requirements. Students may choose to take additional credits toward the certificate or use their elective credits. Upon completion of a degree, a certificate is listed as a comment on the academic transcript.
