

ENDORSEMENTS

Though not required, students may choose to complete one or more endorsements in order to pursue areas of interest, or to complement their major. Students may choose from the endorsements in this catalog and may not create an individualized endorsement. Endorsements range between 6-17 semester credit hours. Endorsements may have additional non-credit requirements. Students may choose to take additional credits toward the endorsement or use their elective credits. Upon completion of a degree, an endorsement is listed as a comment on the academic transcript.

College of Arts and Sciences Endorsements

- Music Performance (<http://catalog.bethel.edu/arts-sciences/academic-programs-departments/endorsements/music-performance/>)

HCE 481 • Healthcare Related Internship 0 Credit

A learning internship experience of 135 hours. Apply understanding and skills in an off-campus, professional healthcare setting. Internship can be included in a student's major (students register for both the departmental and the healthcare endorsement internship) or students can choose to enroll only in the healthcare endorsement internship.

Prerequisites: Enrollment in healthcare endorsement. Offered: Fall, Spring, Summer.

HCE 491 • Culminating Project 0 Credit

A culminating project that demonstrates both knowledge developed through completing a major and experience gained through the healthcare endorsement. The culminating project may incorporate elements of the endorsement in a project for the major or it may be a separate project created exclusively for the endorsement.

Prerequisites: Enrollment in healthcare endorsement. Offered: Fall, Spring, Summer.
