

PIETAS HONORS PROGRAM

The Pietas Honors Program (<https://www.bethel.edu/undergrad/academics/honors/>) is designed to encourage and serve students desiring a challenging academic program, embodying Bethel's long-standing commitment to the integration of faith and learning. The program is designed to provide an enriched educational experience for students with exceptional academic ability, to create a community for such students, to enhance their preparation for and admission to graduate school, as well as to enhance the general academic environment of the university.

Students in the program take a total of four Honors-specific courses, which fulfill general education requirements. The textbooks for these courses are provided to the students for free by the Office of Academic Affairs (<https://www.bethel.edu/undergrad/academic-affairs/>). Students also choose one additional course (one at the 200-level or above) to add an Honors tag (H-tag), while also enrolling in HON 001 "Scholarship Project". In H-tag courses, students collaborate with the course professor to explore a common area of interest by doing an in-depth research project. After the first year of the program, students engage in a significant leadership or service position at Bethel University, while also enrolling in HON 002 "Stewardship Project". This could include a role as a resident assistant, campus discipleship leader, officer of a recognized campus club or organization within the Bethel Student Government (<https://www.bethel.edu/undergrad/student-life/activities/bsg/>) umbrella, tutor for the Academic Enrichment Support Center (<https://www.bethel.edu/undergrad/academics/support/>), or many others. In addition to these requirements, there are Honors Colloquia, which students are required to attend throughout their time in the program.

Students interested in applying for the Pietas Honors Program (<https://www.bethel.edu/undergrad/academics/honors/>) should contact the directors of the Pietas Honors Program (<https://www.bethel.edu/undergrad/academics/honors/>).
