LANGUAGES, CULTURES, AND RECONCILIATION STUDIES

The Languages, Cultures, and Reconciliation Studies department equips students to be culturally responsive and linguistically competent professionals. Our department prepares graduates to understand, interact with, and serve with people from other cultures. Students learn to see God’s diverse world from new perspectives and become globally aware graduates prepared to culturally engage with communities from a thoughtful, Christian perspective. Courses in the department include language, culture, history, literature, reconciliation studies, and current issues. The languages students can choose from are American Sign Language (ASL), Chinese, French, and Spanish. Majors are offered in Linguistics, Reconciliation Studies, Spanish, and Teaching English as a Foreign Language (TEFL). Majors leading to Minnesota licensure to teach include Spanish K-12 and Teaching English as a Second Language K-12 (TESL). Programs in the Department of Languages, Cultures, and Reconciliation Studies complement majors and minors from many other departments.

Linguistics

The major in linguistics is offered in collaboration with the Summer Institute of Linguistics—University of North Dakota (SIL-UND), the organization that provides training in linguistics for Wycliffe translators and missionaries. Three years of coursework are completed on the Bethel campus and two summers at SIL-UND in Grand Forks, N.D. Students majoring in linguistics can pursue opportunities in many fields, such as: translation, literacy program design, education, writing, research, and community development.

Reconciliation Studies

Reconciliation Studies students critically engage with the centrality of Jesus, as a dimension of the Trinity, when they examine the biblical and theological basis for reconciliation. They learn how theories and practices from the social sciences, the humanities, and arts can inform their efforts to co-build relationships with communities and individuals in a diverse and conflict ridden world; they learn to participate in collaborative initiatives that tackle inequity, redress injustice, transform systems, and honor the human dignity of peoples through course work and practical experiences. These programs enable students to see the world from the viewpoint of the hurting, the despised, and the oppressed, as they reflect on how their own experiences and histories shape their outlook and interactions with diverse peoples. The Reconciliation Studies major also introduces students to contemplative practices that can enrich their relationships with others and God as they co-partner with others to initiate social change for the common good.

Study Abroad

The Department of Languages, Cultures, and Reconciliation Studies requires all language and language education majors to live, study, or teach outside the United States for a semester during their sophomore or junior year. Students majoring in reconciliation studies are required to participate in a semester length off Campus program that accommodates an internship opportunity. Students majoring in TESL or TEFL are required to teach English abroad for at least three weeks. Bethel offers semester-long programs in Guatemala and Spain (see Off-Campus programs) or students may work with the Office of Off-Campus Programs and the Department of Languages, Cultures, and Reconciliation Studies to select other programs abroad. In addition, students can participate in interim courses in Spanish-speaking countries.

Placement Evaluation

Prior to enrolling in a language course at Bethel, all students who have previously taken three or more years of the language at the high school level must complete a placement exam given by the department. Prerequisites for the course in which the student places will be waived upon petition. Students wishing to receive credit toward graduation for the courses that have been waived may do so through credit by examination (AP or CLEP) for a fee. Credits earned through examination do not count as electives in the major or minor in any of the world languages offered at Bethel.
Students transferring in college-level credits in the language to be studied may continue with the next course in the sequence at Bethel upon consultation with the department, but may choose to take the placement test to ensure they enroll in the appropriate course for their language skills.

Language Evaluation
Students may fulfill Bethel’s language requirement by:

1. Completing the second semester of the first year of a (beginning or introductory) college-level language class or higher with a passing grade at Bethel University (e.g., SPA102S Introductory Spanish II or higher course into which student is placed).
2. Completing the second semester of a first-year (introductory or beginning) college-level language class or higher with grade of C or higher at another college/university (any language other than English).
3. Earning a score of 3 or better on an Advanced Placement language exam or a score of 50 or better on a language CLEP test.

(See the Academic Information section of this catalog under the General Education Program for further information about the language requirement.)
