

ACADEMIC ADVISING

Academic advising for all seminary programs is provided by the Office of Student Success and Retention. These programs have a designated student success advisor (SSA) who serves as the first point of contact for student advising and support. Students are introduced to their SSA once they enroll in classes. The SSA will assist students with course selection, program planning, and other academic and registration questions. They are also able to provide referrals to a number of other support offices on campus, based on each student's particular needs.
