

STUDENT SUCCESS ADVISORS

Overview

Location: Anderson Center

Each program has a designated student success advisor (SSA) who serves as the first point of contact for student advising and support. The SSA can assist students with course selection, program planning, and other academic and registration questions. They are also able to provide referrals to a number of other support offices on campus based on each student's particular needs. Contact information for each division is found below. The Office of Student Success and Retention website (<https://www.bethel.edu/student-success/>) is available for more information.
